

ASHLEY SLING, INC.

ASI-TFS-1

Transformer Sling - Single Adjustable

This adjustable, load-rated two-eye lifting sling has a permanent eye splice at one end and an adjustable eye at the other end, which allows it to adapt to loads of various sizes. The adjustment allows snug lifting control and minimizes the number of fixed leg slings required . Each sling is tagged with a capacity.

- ◆ A permanent eye splice at one and adjustable eye at the other
- ◆ Adapts to various loads
- ◆ Minimizes the number of fixed legs slings required
- ◆ Tagged with capacity
